-Continued from n5p7-  
through my torture, in the summer of 2015, I heard the wicked-servant, Audie Israel...in his own voice...say to me, "now that you know what I can do to you..." making it wholly apparent who was behind the torture. I was in and out of the Hospital, twice. This is the cudgeling weapon A.I. uses to torture his victims. And it is FIERCE. This head-beating ('voice to skull' satellite-beam technology with a 'Depression' capability) is shown in scripture to be linked to '(psuche) Bi-section' of the wicked-servant. These two elements go together...a 'beating on the head' and a 'bi-section' to stop it. Thus, it is a demonic mix of 'DL-summoning of Satan' combined with 'technology' requiring 'Jehovah ruling' and bisection to rectify. A.I. is leagued with Satan until Bi-section where upon he is then thrust out with the *hypocrites of weeping/gnashing.* (Matt 24:48-51).

As for 'SB (3-Oliver)/A.I.(6)' of Z6:9-15 (the once wicked-servant) and his promises listed therein, these are 5 'enumerated contextual' benefits and blessing declared over all Kings/Priests of the Kingdom (R1:6/ R5:10), he simply, for all his wickedness and from which he clawed his way back, is not excluded. His promise to (1) 'sit on his throne' and 'govern' as a King/priest over his region or nation, is a promise given all (R2:26). His promise to (2) build the 'temple of the Lord' is blessing for all to take part (for they come from all around; Z6:15). His blessing to be (3) 'crowned' is a coronation given all Kings/Priests (though his crowns be a memorium for 4 others in the House of the Lord). His (4) 'double' or 'two-fold' 'counsel of Peace' as being both a 'king<sup>A</sup> and a priest<sup>B</sup>', is the counsel that emanates from all two-fold kings<sup>A</sup> and priests<sup>B</sup>. And finally, his promise that he will (5) 'lift up majesty', is a blessing bestowed upon all, he simply is being told that for all his past wickedness he will take part with all other kings/priests receiving likewise promises without exclusion if he listens to his maker...Jehovah/Elohim. He was Apoc.-punished and from which he repented and served during 'Babylonian-exodus' as (a) 'Oliver-(3) sprouting-out' toward Exodus and this from the 'bottom as depressed'...a testament to having been punished; as also (b) 'A.I.-(6)' renamed, 'Joshua, son of Jehozedek' (soj), acknowledged by God with new name at that time and acknowledged as 'soj' at that time for 'Jehozedek', his own ancient O.T. father, disowned him until God declared him 'Jehovah-saved' for his repentance and leadership service in Exodus.

Z6:9-15 records his service to the Lord and his people at that time. The 'procession', the Exodus, as coming forth out of Babylon prior to the 10-horn invasion is a great act of servitude, submission, and repentance and God records his achievement with his own scripture. But the word of God is eternal for Jesus said; *heaven and earth will pass away, but my word will never pass away.* Therefore, he will be remembered by his acts against Z3 as recorded in Letters-[H0068], as the *wicked-servant* of Matt. 24:48-51, by he bound and cast from the Great Hall, and by his Z6:9-15 service. The word of God is inescapable.

As for the servant who distributed 'food' to the Lord's Church, and was given charge over all his 'Goods', I will *throw-open* the coffers and distribute his resources, according to the petitions of all kings/priests who 'govern' their nations and will expedite in abundance and with haste...speedily. Kings/Priests have needs, great need for their nations under their governorship and I will work tirelessly to service these needs. For I recognize that all who 'overcome' are given the; 'power of the morning star'. This 'power over the nations' (R2: 26-28) being the 'morning star', was a power Lucifer once had ... 'the morning star', and it repossessed by Jesus. 'He who overcomes' is given this power from the Lord who holds the 'Rod of Iron' (ROI), a symbol for an Angel; IRON (R2:27,28/ R12:5/R19:15), the only one of God's angels of the class of R5:9,10; the Uwd. Remember, 'to serve', is the key. At the 'supper' grapple, grapple for the 'low seat'. Sit on the ground at the end of the table even giving up your 'low seat'. Now is the hour for great reward. Your country is above, not below. Your loyalty lies with Jesus and the 'New Jerusalem city banner', the flag of the High country.

And if not 'on duty' or in my room in the 'city New Jerusalem' ('...for in my Father's House are many rooms'), I will likely be found during my spare time down by the beach, in a vehicle with my dogs having the 'New Jerusalem city Banner' flying overhead and overlooking the sea.

## the LSOTs: 2 Lampstands, 2 Olive trees

There are 4 described in R11. R11:4 calls them 2 Lampstands and 2 Olive trees. Thus 4, and all witnesses as standing before the God of the earth God (see n5p5e). Z4 shows 1 (John) of the 2 Lampstands and both olive trees (Z4:11). Moses and Elijah, also shown @ the transfiguration standing left and right of Christ (Matt. 17:3=Z4:14) where 5 beheld Jesus's Glory in the cloud. James was killed. Peter denied thus eliminated, leaving John (Tarry), Moses, and Elijah, or 3. These remaining 3 are the Z4 Gold Elohim-Lampstand (John) with 2 olive trees (Z4:2,3,11; 2 trees left and right). The 4th is explained on n5p5e, the R10 Angel, me, where in R11:3 I declare Moses and Elijah (clothed in sackcloth) as 2 witnesses of 'Me' in Z3 heavenly court (n5p5e/R11:3). My Sunface is lit like a lampstand in R10:1 as Moses's was (me in Z3 standing before God & in 11:4). As for the '7 eyes' of R5:6 and 'the eyes of the Lord' of Z4:10...see n5p2 Article '7SOG: Divine 7 Court'.

We 4 have shared-powers with each power identifying us. Moses identified by *plagues* as before. Elijah, identified by *stopping of rain* as before. John, identified by *water to blood* since he wrote of the water and blood (1John 5:6,8). And the Uwd-R10Angel, identified by the *power of fire*, which I also give as self-defense (as one must have to give) to Moses and Elijah but not John, who is under my protection.

Finally, Moses and Elijah die in war with the Beast. One lies in the street of Jerusalem, the city "Egypt where our Lord was crucified" and the other lies in that great city "spiritually called Sodom" (n5p3). Me and John, the 2 lampstands, continue in 'My' commission toward 'House-Judgment' unto Enoch-pattern nearing 'Wrath'. The 'House of God' is gone at with the Holy Spirit at R14:14-16. The 'Grapes of Wrath' were not of the 'House'. *1600 Pennsylvania Downs.*

## extra Oil: 10 Virgins

*Unique Rescue; after E3 (extra-oil complete); after S5 # complete.*

In Matt. 25:1-13 is described a parable of a 'Virgin group' ...half wise and half foolish. They all went out at night to meet the Lord, carrying their lanterns with them. The wise ones took vessels of 'extra-oil' whereas the foolish ones didn't, satisfied with what was only in their lanterns. When all the lanterns started to go out, the wise ones had extra-oil to continue-on with their journey. The foolish ones turned back and went out to buy extra-oil from the merchants of the earth who were not the 'approved' source for 'extra-oil'. Both groups arrived at a door in the wilderness with 'extra-oil', the wise ones arriving first and going inside after which the door was shut and locked. The foolish ones, arriving 2nd, faced a locked door having thus been rejected.

Therefore, the 'approved' 'extra-oil' made all the difference. What is, then, the 'approved' 'extra-oil' to be taken? The answer is found in Z4, a passage about 3 of 4 foretellers of R11. Shown in Z4 is one lampstand and two olive trees (see LSOTs). Z4:11-12 shows the 2 trees drip their oil into the bowl of the Lampstand. This is oil coming from the same two trees mentioned in R11:3, who prophesy new-prophecy which is new-scripture. Therefore, since they prophesy, and this prophecy in R11:3 is described as 'oil' in Z4 by the same characters...and it is by default 'extra' or additional prophecy (oil) to the Bible, we then know that their prophecy must be 'extra' or 'additional' 'oil' to be valued and taken. The problem with the foolish-virgins is that they did not consider the prophecy (oil) of the foretellers to be scripture additional to their Bibles, which is 'the lamp' full of 'Oil'. 'Thy word'...as Amy Grant sang in her hymn, 'is a lamp unto thy feet' and prophecy, is the oil. When they did obtain 'extra-oil' (new prophecy) and arrived it was of the wrong-source causing them to be too late. Consequence. The 'Lamps' going-out may be a mix with technology but the 'extra-oil' of 'new prophecy' telling of vital Apoc.-Info yet to be written after 7.14.23, is now known.
