Eyes

Matt 5:29

The Evil Eye

3rd-Day and 6th-Day Adams are now clearly identified in Genesis 1 and 2 supported by a 3rd Day Resurrection which '3' must have confused them when compared against what was thought to be the 6th Day creation of Mankind. But now is known different...two breeds. Hence Sheep (3rd) and Goats (6th). The combination-man 36 has been revealed as having an unusual visual talent (66 as well), a "corneatic-curiosity" I call it. These unlike their 3rd Day counterparts have the ability to "phase" a 2nd sight...seeing their surroundings and no-doubt their peers with a sight forbidden in scripture. D7:8 makes reference to this ophthalmic duality when describing one of several Horns (D7-LHii who works with beast-Onpiw) saying he possesses the "eye and eye of Man"; he a 36/IP. The point then is obvious. The eyes are different in this particular example (36) with each eye being the 3rd and 6th Day creation of Man.

But the best or at least another great example is shown in Matthew 5:29. Here the Lord makes a statement so curious, so bizarre, that receiving it as anything other than an extreme mystery would inflict be impossible. Therefore, it must be an enigmatic urging directed toward a select group and this the only way one could even begin to accept it. He said: if your right eye sins pluck it out, better one of your members perish than to enter Gehenna fire, the surface pit appearing in Apoc. It sounds simple enough. But think for a second. When was the last time anyone ever sinned with only one Eye?? Don't they always use two? Don't the two eyes always work together? Also, he's not speaking of general sight here, he goes on to say that heaven

These Goats survived Apocalypse (Matt 25:31,32) solely by bonding with the reigning-evil and therefore were delivered to Lightning-fire (solar-flares) different than Gehenna, hence the: "...Devil and his angels' Matt 25:32. Also 'Gehenna-fire' is specifically and purposefully omitted here.

awaits for only the one good eye. And if indeed one plucked out the sinful eye as he said...couldn't the sinner continue to sin with the other eye? Why would the sinning stop just for the removal of the one evil eye? He should have infact said pluck-out both and enter heaven blind. The obvious answer? Of course one sins with both eyes, they work in tandem. And of course the sinning wouldn't stop for the person still retains an eye by which to sin. Unless?...the eye of which he speaks has a special Bio-monocular feature unique to the 6th Day breed and is activated (Matt 5:29) through the forbidden enablement of the 6th Day side. This would be, then, for the purpose of seeing satanic informers of the fallen angelic-world under Satan's domain which manifests in Goats as a physical change in eyes.

Elohim initially made the Goats perfect. The eye function was originally perfect (pre-rebellion), designed to see Lucifer...who was only harmless and helpful. But after the rebellion, the 'eye' becomes 'evil' for it was designed to 'see' Lucifer and his angels. Therefore, it now sees what is only the same but in opposite, Satan and the evil-Angelic world, which is conniving and malicious and attempts to give Goats information-advantage sourcing from evil, and this over their fellow man. Hence Jesus prohibits its use. This 'evil-eye' feature of Elohimers is mechanically different than 'DL-Satan Channeling' shown in Mark 8:33 (PP) for there is no 'tethered-invite involved with the 'evil-eye' for there is no 'entry' of Satan into the DL-psuche of the Elohimer as with Peter in Mark 8:33. Thus, Elohimers possess 2 psuche-functions of the 6th-day breed where (1) the 'evil-eye' function is a 6th-Day side enablement absent tethered-invite and (2) Satan-channeling (SC) is an enablement of the DL-subsection of the 6th Day side and this where tethered-invite 'is' involved for it involves Satan-entity-entry. (See n5p5-n5p7b for SC).

7 Horns and 7 EYES | .

Revelation 5:5 declares the *Root of David* prevailed to open the seals and John is told conspicuously to LOOK. R5:6 reveals he LOOKED and saw the *Seven-horn Seven-eyes* (abbrev.7h7i) lamb standing in the midst of the throne. Thus:

**R5:5R.David=LOOKED=R5:6 (7h7i slain lamb) =
R22:16R.David**

R7:17 reveals the same Lamb standing in the midst of the throne, just like the earlier 7h7i lamb, *shepherding many living waters*. R12:5 reveals the same lamb *shepherding the Nations* but the timing of this is revealed in R19:15, where scripture declares he *shepherds the nations* with a ROI.

The scriptures declare many *false Christ's* would appear and deceive many. A false Christ would be one standing in the place of JESUS and purporting to be him or in his office, likely using Christ-connection scriptures (Acts 9:4) improperly. The *Thorn7eye slain lamb* in R5:6 is *Jesus Christ the savior* (R1:5), having seized the Magistrates with them engraved shown as he '*holding or possessing*' them. This passage is ripe for antichrist's who purport to be this Lamb (Jesus), even by self-asserted *positive channeling aver* (different than prophesying gift).

These anti-Christ's use *behavior* [G3664] (as well as scripture) as a cover for evil.

The 7h7i is shown in R5:6 and is *Jesus Christ the savior* (1Col.1:15,18) who prevailed...and all worshipped him.

- 1) **R5:5** (A)Behold, *Lion of the Tribe of Judah*, (B) *Root of David* (C) prevailed to loose seals
- 2) **R5:6** (A) *Look, 7h7i slain-Lamb in the midst of throne*, surrounded by elders, 4 creatures.
Thus 1 = 2 via "Look".
- 3) **R5:7** then ...(D) '**he** took the scroll... from the right hand of Jehovah (R4:3,8-11) upon throne.
- 4) **R5:8** (D)'Lamb' took the scroll. 24Elders and 4 creatures worshipped same 'Lamb' with harp.
Thus 4 = 3 = 2 = 1
- 5) **R5:9** 'You' is the subject of the song sung with harp to the one who (D) took the scroll and (C) open its seals. 'You' redeemed by your Blood and made us Kings and Priests (R1:6). Thus 5 = 4 = 3 = 2 = 1 (Note: All are made 'Kings and Priests'...All redeemed by his Blood, 'All'... 'All').

Jesus was found worthy and unloosed the seals and who all worshipped...including the 24 elders and the 4 creatures surrounding the same lamb identified as 7h7i-Lamb mentioned earlier. The 7 horn 7 eyes slain Lamb is (1)Jesus Christ the savior-Messiah,(2)resurrected Messiah in flesh-bodily form ,(3)having crucifixion wounds, and (4) absent all blood in his veins, arteries, and organs for it has been poured out on the alter in heaven (5) and is in control-possession of the BOL (Book of Life: R13:8,17:8/ R5:6,12/Isa 53:7) .
